# Diverse Future Surgeon Webinar

Zoom-based webinar series designed for underrepresented minority high school students, pre-med college students & medical students in surgical careers

## You are the Future of Surgery!

**Learn from diverse expert Surgeons about starting a career in Surgery.**

### **Who will benefit from attending this webinar?**

This series of webinar events aim to increase exposure to careers in Surgery and increase URiM representation among surgeons and students nationwide.

High School Students | Exposure to careers in surgery

College Students | Surgical specialties, introduction to the operating room, and applying to medical school

Medical School Students | Excelling in surgery clerkships, Sub-internship's, and applying to surgical residency

### **Program Presenters**

Weill Cornell Medicine surgeons & residents
